Stellar Trio in Aviation Epic

Walter Pidgeon, Ruth Hussey and Robert Taylor team for the first time in "Flight Command," thrilling story of the U. S. Air Service, with Taylor starring as a flying cadet assigned to the famous "Hell Cats," who falls in love with his commander's wife. Paul Kelly, Shepperd Strudwick and Nat Pendleton are others in the cast of the new picture, opening Sunday on the Fox Sequoia screen. "I'm Nobody's Sweetheart" will be the companion feature on this program.

GIVEN PROBATION

Alfred E. Tittel, former San Mateo service station operator charged with two counts of issuing checks without sufficient funds, was given two years' probation by Judge McNutt. Jail sentence was commuted to time served—31 days. Tittel made restitution on the two checks he had issued, the court was told. They totaled \$50.

1929 License Renewals Not Available Now

No renewals of 1929 "good until revoked" drivers' licenses will be made at the Redwood City State Highway Patrol office until after the close of the current license plate renewal period, Feb. 4, according to Capt. E. F. Cassell, because the clerks are busy on vehicle plate registrations. Applicants for original drivers' licenses, however, will be given the usual service.

Good until revoked licenses issued in 1929 are still valid, but the State Department of Motor Vehicles is planning to cancel them in early Spring.

from the Royal Naval Air Service, has visited practically every country on earth and most of the world's big cities. He had an excellent record with the naval and air forces during the World War.

He is still traveling thousands of miles yearly, as a speaker for the Greyhound Lines. The commander scouts up and down the highways and byways of America, searching for the "Unreal Realities" which form the basis of his talks and radio programs. "Unreal Realities," he explains, are facts so strange that they seem unbelievable.

"I never try to make a 'speech' when I talk about 'Unreal Realities,'" Commander Scott said. "Rather, my idea is to tell interesting yarns about my experiences and travels, and to discuss them in an intimate and informal way. The sights that are to be seen and the experiences that are to be lived by any traveler going along the routes covered by Greyhound Super-coaches are always interesting, often amusing and continually instructive. I simply gather the unusual and interesting things along the way and yarn about them."

Retired Coast Rancher Leaves \$70,000 Estate

Sixteen relatives of John Meyn, all living in Germany, may have some difficulty in sharing the late San Mateo County Coastside rancher's \$70,000 estate because of the present international situation.

Mr. Meyn died Nov. 1 in Burlingame, and according to an inventory filed in superior court here his estate is worth \$70,296.16. Of that total, \$41,785 is represented by 1220 shares of Pacific Gas and Electric Co. 6 per cent preferred stock, and \$18,600 is the value placed on 600 shares of P. G. & E. 5 1/2 per cent preferred.

Besides the 16 relatives in Germany, Mr. Meyn named in his will Mr. and Mrs. Frank M. Cavanaugh of San Mateo, who were bequeathed his clothing, jewelry, furniture and personal property.

Beauty Care Expert Visits Local Store

Miss Loretta Thompson, expert on beauty care, is currently at the Locke Drug Co. in Redwood City, where she is giving free personal consultations to anyone visiting her. She will be here today and tomorrow. During her stay, she is offering exceptional values in Barbara Gould Plastic Cream and Special Eye Cream.

The charm of many women, according to Miss Thompson, is due solely to their application of a few simple rules of beauty care as they are outlined by the Barbara Gould studio in New York—with which she is in constant touch.

Miss Thompson, whose wide experience makes her an expert on beauty care, says, "Your face tells time—and the modern woman, beset as she is with social and business activities, should use modern cosmetics to hold her loveliness. New developments

Don Cossacks Appear At S. F. Next Week

SAN FRANCISCO—The life of old Russia will live again Thursday night, January 10th, when the famous and original Don Cossacks return to the War Memorial Opera House for a program of folk, church and military songs. Serge Jaroff will conduct.

The program will be divided into three parts, each colorful and reminiscent of the Russia of the mighty Czars. In the first part the chorus as a great vocal instrument will tell in tones rich in their spiritual quality the yearnings of old Russia for those things for which its church stood.

The second and third parts simplify the task of caring for your beauty at home and aid you in achieving a natural, youthful appearance."

will be largely folk songs, songs that glorify the military prowess of the people and re-live the life of the Russian peasants in the villages, on the farms and along the great Volga.

Burlingame Man Leaves More Than \$30,000

Seven cash bequests totaling \$4500 were left to relatives and friends by George P. Paine, Burlingame and San Mateo real estate owner who died Jan. 1 at his San Mateo home, according to a petition for probate of will on file today in superior court. Total value of the estate was set in excess of \$30,000, according to estimates by the executrix, Stella M. Torgler, a daughter, and executor, Atty. C. N. Kirkbride.

Bequests of \$100 each were left to a brother, Charles S. Paine, and a sister, Maude L. Harrison, both of Imperial Beach, while \$500 bequests were made to Du Bois Bevier, of Burlingame, a nephew; Joseph W. Loftus, of Burlingame, a friend; Virginia Burnett and William Harris, niece and nephew of Mr. Paine's late wife, both of Webster Groves, Mo. Arthur C. and Louis C. Mohr of Burlingame were given a lot in Burlingame's East Addition, according to the will. Remainder of the estate will go to Mrs. Torgler.

Smoke from London's two million odd chimney pots, mixed with the chill Fall fog, has helped screen the capital from German air raiders.

Plumbing & Heating

Here's a BIG bargain FOR A SMALL HOME that needs a GOOD FURNACE

Looks like we miscalculated a bit on the number of small-size homes here in town. 'Cause we've sold-out just about ALL of our large-size furnaces. But we still have a couple of small sizes it looks as if we'll have to carry-over to next winter. \$28.75 and \$34.50 is what they'll sell for, then. But rather than hold 'em that while, we've decided to "take our medicine" and a big reduction. So we've cut the price of each. Which brings 'em down to **\$28.88—30.00 B.T.U.**

Early Collecting Of Garbage Banned

Regardless of how ambitious garbage men may be to start work, they are prohibited from their labors before 6 a.m. in Redwood City.
Several violations of these regulations were called to attention of the council Monday.
"What time do garbage men go to work?" asked Councilman Evans A. Fletcher.
"Six a.m.," replied City Manager C. L. Dimmitt.
"They're getting up and starting at 4:30 and 5 a.m. in some sections," answered Fletcher.
Dimmitt acknowledged the report by saying that had happened in the Jefferson Ave. vicinities and the offenders were being cautioned against such "early morning" work.

The military service period for Finnish conscripts has been extended to two years, effective 1941 to 1945. Finnish men formerly were required to serve only one year in the army.

MENLO PARK NEWS

MENLO PARK — The St. Joseph's Alumni Association will hold its annual alumni meeting Sunday, Jan. 12, at 2 p.m. After a brief business meeting entertainment and refreshments will be the order of the day. Old graduates will return to pay tribute to the good nuns who laid the solid foundation for

their education. The annual reunion has always been a gala event in the lives of the old grads.

Mrs. R. Lynch, who spent the holidays here, has returned to her home in Reno. She is on the staff of the University of Nevada.

A wedding of local importance will take place in Menlo Park early in February. The parties will make their announcement

in this paper next week.

During the swollen condition of San Francisco Creek last week many salmon sought the headwaters from the Bay and several were taken by local poachers. A game warden is now watching the stream for law breakers.

Two of the city council members are ill and it is possible the scheduled meeting on Tuesday night may not take place. Im-

portant business is on for this date.

Joseph Veverker, after many weeks of illness, is back on the job. He has been the station agent for many years and made many friends here who are delighted to know he is himself again.

A local politician, who is slated for a position in the courthouse at Redwood City, will probably be inducted into the office the

first of the month.

The changes in the local police department that were supposed to take place this month have not materialized as yet. It is possible that at least one change will be made.

The rainfall to date is 9.64 inches as compared to 6.84 inches at this time last year. These figures were secured from the rain gauge at the Southern Pacific depot.

Year's Stamp Sales Up 17 Per Cent

Stamp sales at the Redwood City Post Office last year were 17 per cent more than during 1939, Postmaster R. E. O'Connell Jr. said.

The total 1940 stamp sales here were \$100,298.90, he said. For 1939, the sales totaled \$85,773.10. In 1935 they were \$61,508.87.

These figures do not include bond sales or money orders, the postmaster explained.
